# CALL FOR SUBMISSIONS

## 2014 Core Values Awards for Excellence in Public Participation in Southern Africa

The Southern African affiliate of IAP2 was established in 2011 to better empower professionals and organisations in the region to achieve excellence in public participation.

Nominate your project or organisation and join fellow practitioners to showcase local leading examples.

Entries are welcomed for the same project in both *Project of the Year* and *Organisation of the Year* award categories.

### Categories

1

#### **Project of the Year**

recognises excellence in the tools, techniques and efforts in public participation within a finite project framework.

2

#### **Organisation of the Year**

recognises the application of the IAP2 Core Values in all aspects of an organisation and how they are embedded into decision-making that features public participation.

2

#### **Research Award**

acknowledges important contributions to the body of public participation knowledge.

**CLOSING DATE: 31 July 2014**
